Dear Colleagues,

Apprenticeship Roadshow

Please find attached a copy of the Apprenticeship Roadshow Flyer. The Apprenticeship Roadshow has been organised by the Post 16 Team to support schools in fulfilling their statutory obligation to promote a wide range of vocational and technical opportunities to young people. **The 'Baker Clause' requires schools to provide a range of opportunities for providers of technical education and apprenticeships to visit pupils in schools.**

The Apprenticeship Roadshow is aimed at young people aged 14-19 and will consist of Apprenticeship providers from a wide range of industries (to include engineering, construction, motor mechanical engineering, childcare and finance). The Apprenticeship providers will visit your school (co-ordinated by the Post 16 Team) to promote their current and future vacancies to the young people. There will also be a talk from Cali Ibrahim – National Apprenticeship Ambassador.

If you are interested in the Apprenticeship Roadshow attending your school in February or March 2020, please can you make contact with Sharon Glover or Zoreena Daniels on 07500 224 909 or 0208 359 2011. They will arrange for the providers to attend your school and promote their opportunities. Please note that the Roadshow will last for approximately 3 hours and will involve vocational tasters, videos and practical opportunities.

Once you have arranged a date, a member of the team will visit your school to plan the next steps to ensure that there is sufficient space for the providers and they will work with with a member of your staff to plan the event.

Please note that these roadshows are being subsidised by Middlesex University and Barnet with Cambridge Education however there will be a minimum charge to schools for arranging the Roadshow.

If you would like to book an Apprenticeship Roadshow please contact Zoreena Daniels or Sharon Glover on the above numbers by **Friday 24th January 2020.**

Best wishes

Jasmine West
