# Free & confidential support for survivors of sexual violence and abuse.

The North London Rape Crisis Helpline is a free, anonymous service available to women and girls aged 13+ who have experienced any form of sexual violence at any time in their lives.

We offer a safe and non-judgemental space for women, whether they are already receiving support, awaiting counselling, or speaking out for the first time.

We also provide support and advice for the friends and family of survivors, as well as professionals working alongside them.
