Introduction to planning

We know that making a planning application is often the first major step of any development project. Whether it's for a home improvement, business or for a major build, it is important that you have access to specialist advice. We are here to help you with your building or development projects.

No matter how big or small your project is we offer a range of services to ensure your development proposals are established quickly and efficiently.

The London Borough of Barnet delivers planning services. In addition to the statutory planning service, we offer a range of premium options to speed up your planning application.

We can fast-track all types of planning applications and pre-application planning advice request – giving you guaranteed timescales and allowing you to begin work on your project more quickly.

When choosing any of the fast-track services, we guarantee to contact you and provide advice from an experienced planner within an accelerated timescale. While the service does not impact on whether planning permission is granted, you will receive a quicker decision on your application.

Benefits of using the fast-track service

Example:

Pre-Application Advice –  
Notes and Charges

Town and Country Planning Act 1990 (as amended)  
Planning and Compulsory Purchase Act 2004

Local Government Act 2003

Under the Local Government Act 2003, the London Borough of Barnet operates a scheme of charging for pre-application advice on certain types of development proposals and certain development briefs. This document provides guidance in respect of the charges, requirements and procedures.

The Council welcomes and encourages developers to seek pre-application advice for all types of application and particularly for major or complex schemes. In order that a consistent and high-quality pre-application advice service can be provided, the Council has taken the decision that the cost of the service should be recovered directly and not fall as a cost to the council taxpayer.

Pre-application discussions and/or written advice notes are primarily of benefit to the applicant/developer by identifying the planning issues and requirements and thereby speeding up the development process. They can help to minimise subsequent planning application costs and avoid abortive applications.

Pre-application requests are processed by a dedicated pre-application team.

For pre-application queries, contact:

[Planning.Preapp@barnet.gov.uk](mailto:Planning.Preapp@barnet.gov.uk)

Charges and categories

The charges for pre-application advice are based primarily on the size and complexity of the proposed development, and whether a virtual / face to face meeting is included. Additional charges may also apply where meetings include additional specialist advice.

The charging regime covers the following categories of proposed development:

Category and cost	Service provided
Category 'A' proposals - £13,219.25 (£15,863.10 incl. VAT)  <b>Very Large Scale, Complex Development</b> <ul style="list-style-type: none"><li>• 150 or more residential units</li><li>• 4000 m2 or more of mixed use commercial floor space</li></ul>	Meeting and written advice

<p><u>Pre-applications relating to Enforcement investigations:</u></p> <p>Any proposal following an Enforcement case, will require the inclusion of the enforcement officer to be charged at the specialist officer rate (time dependant on the complexity of the case).</p>	
<p>If what you require is not listed above, please contact us and we will advise what category your proposal will fall into.</p>	

Exemptions

Exemptions may apply for minor schemes or householder schemes (small extensions / alterations), certificates of lawfulness, enforcement or advice to any local resident affected by a development. Such verbal advice at this time will continue to be provided free of charge; please check with the Local Planning Authority.

Additional fees including hourly rates and specialist advice

Those fees apply in the event of:

Additional investigations or meetings with the case officer being required for Categories A - F development above and beyond the standard fee

Specialist advice, for example on design, housing, conservation or highways matters.

Any meetings or additional services including a site visit requested for Categories G – I development are not covered by the standard fee.

Officers can review an amended scheme following a pre-application if it is a materially similar scheme to the original enquiry and if submitted within 6 months following the issue of the initial pre-application response. This would normally be charged at the hourly rate- please contact us to arrange. Any discussions after 6 months would be in the form of a new pre-application.

The appropriate hourly rate for officers’ time is dependent upon their seniority, as set out below:

Case Officer up to Principal Planner	£313.08 (£375.70 incl. VAT)
Team Leader/Manager	£390.75 (£468.89 incl. VAT)
Service Heads and Directors	£469.62 (£563.55 incl. VAT)
Specialist Advice (Conservation & Design, Ecology, Trees, Housing, Enforcement etc.)	£390.75 (£468.89 incl. VAT)

Procedures and level of service

1. Categories A – F

The online application form for these categories can be found at:

<https://www.barnet.gov.uk/planning-and-building-control/planning/pre-application-planning-advice>

The standard fee must be paid prior to the first meeting. The standard fee includes time taken by the case officer from the investigation stage to the actual meeting and the final written comment.

Any additional charges will be invoiced within 10-working days from the date of final comment and invoices must be settled within 21-days.

Card payments can be made by phone following submission by calling 020 8359 3000 (option 2).

If a meeting is cancelled charges may be made for any pre-meeting enquiries or any other investigations that have been carried out.

Process

You need to submit the form together with the appropriate fee and all relevant information. Any request for specialist advice should also been made at this stage (see hourly fee details above). Please note that unless you have opted to pay for additional specialist advice which is charged at the hourly rate (details on page 7), the assessment will be made by planning officers only.

**Within 2-working days** of receipt of your request, an acknowledgement letter with contact details for the planning case officer will be sent to you. The acknowledgment letter will advise whether your submission is accepted or whether any additional information is required before advice can be offered.

(Please note that the service has the right to decline a request for pre-application advice where it is not considered either appropriate or necessary).

For Categories C, D, E and F, **within 2-working days** of registration (subject to availability), the case officer will contact you to arrange a meeting date (and make any necessary arrangement for a site visit if required). Virtual meetings will be offered in the first instance unless a face to face meeting is requested.

We will endeavour to provide you with notes **within 4-weeks** of the meeting date for Category C, D, E and F (providing no further research or site investigation is required). You will be sent an advice note outlining the policy context, site’s history, site’s constraints together with advice on relevant planning issues. All notes are reviewed by the pre-application team manager, planning manager or Head of Service depending on the complexity of the proposals.

**Further research or advice sought after the meeting will be charged at an hourly rate as detailed in the “Planning Fees and Charges Schedule”, providing the scheme is materially similar.**

We aim to operate a flexible system and we will try to adapt to your requirements including the format in which you wish to obtain the advice. For example, you may wish to delay obtaining final written notes until you amend your proposals in line with verbal advice given at the meeting. You may also want us to review your own meeting minutes/notes to speed up the process. In any case, you should discuss your requirements with the case officer during the meeting.

2. Categories G – I

The application form for these categories can be found at:

<https://www.barnet.gov.uk/planning-and-building-control/planning/pre-application-planning-advice>

The standard category fee must be paid prior to the application being progressed.

Card payments can be made by phone following submission by calling 020 8359 3000.

Process

**Within 2-working days** of receipt of your request, an acknowledgement letter/email with contact details for the planning case officer will be sent to you. The acknowledgment letter will advise whether your submission is accepted or whether any additional information is required before advice can be offered.

(Please note that the service has the right to decline a request for pre-application advice where it is not considered either appropriate or necessary).

We will endeavour to provide you with notes **within 4-weeks** for Categories G, H and I requests.

All notes are reviewed by the pre-application team manager, planning manager or Head of Service depending on the complexity of the proposals.

Categories G - I fees do not include a virtual/ face to face meeting or a visit to the site. If you feel that your proposals would benefit from either or both, there will be an additional hourly charge (see “Planning Fees and Charges Schedule”). You should contact your case officer for further details – see section below for more details. Please note that unless you have opted to pay for additional specialist advice which is charged at the hourly rate (details on page 7), the assessment will be made by planning officers only.

Virtual meetings will be offered in the first instance unless a face to face meeting is requested.

Scope for discussion or advice

The matters suitable for discussion / advice could include:

- Information on the relevant policies and other planning requirements.
- Provision of advice regarding the procedure, consultation, and estimated time scale regarding the process of the application.

- The required information for making a valid planning application.
- Indication of the likely requirement for contributions by the developer, such as levels of affordable housing or highways and education payments.
- Informal and without prejudice comments and guidance on the content, construction and presentation of an application likely to satisfy the Council’s planning policies.

Information required with pre-application requests

The Council will require sufficient information to be provided to enable a quality advice service to be provided. This includes:

- A description of the proposed development and schedule of proposed uses
- A site location plan (scale 1:1250)
- Photographs and sketch drawings showing the site, buildings and trees as existing, together with the schedule of uses.
- Outline of proposal (on plans scale 1:100).

Notes

Any advice given by Council officers for pre-application enquiries does not constitute a formal response or decision of the Council with regards to future planning consents.

Any views or opinions expressed n are given in good faith, and to the best of ability, without prejudice to the formal consideration of any planning application, which will be subject to public consultation and ultimately decided by the Council.

It should be noted that officers cannot give guarantees about the final formal decision that will be made on your planning or related applications. However, the advice note will be considered by the Council as a material consideration in the determination of the future planning related applications, subject to the proviso that circumstances and information may change or come to light that could alter the position.

It should also be noted that little or no weight will be given to the content of the Council’s pre-application advice for schemes submitted more than 3 years after the date of the advice being issued.

Refund of fees

Fees can only be refunded if paid in respect of a query for which the Local Planning Authority declines to provide advice.

Speed in progress: for formal planning application submissions

The Service will seek to process all applications within the Department of Communities and Local Government prescribed period. It is highly likely that applications submitted following a pre-application discussion will typically progress faster, particularly where the proposals have taken on board the issues raised in the written note.

Applicants are advised that the Council's policy is that only minor amendments to a proposal, which does not require re-consultation / re-evaluation, are accepted at application stage.

Fast-track service – Notes and Charges

The fast-track service provides a range of services to Barnet residents and businesses to accelerate the administration and review of planning applications and pre-planning submissions. This fast-track service does not affect the merits of the proposals. Fast-track charges are payable in addition to the application fees payable under the Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012 or pre-application as detailed below. VAT receipts can be provided on request.

All requests for the service should be emailed to [planning.premium@barnet.gov.uk](mailto:planning.premium@barnet.gov.uk) prior to the submission of the (pre) application.

**Each request is assessed individually and a confirmation that the service can be offered is provided by the Fast-Track team before the (pre) application is considered as part of the scheme.**

Each request should include the following details:

- Name, address, phone number and email address of applicant / agent
- Site Address
- Description of proposals
- Reference of requested fast track service(s) (e.g. Service 1 and 2)

All fast track payments must be made at the time of registration of the (pre) application. The applicant or applicant's agent shall inform the Council upon submission and payment of the (pre) application by emailing [planning.premium@barnet.gov.uk](mailto:planning.premium@barnet.gov.uk) with details of the Planning Portal or Pre-application reference numbers.

(Pre) applications submitted without the confirmation of the Fast Track team that the service can be offered will not be processed under the scheme.

We reserve the right to refuse requests subject to resources and availability.

**Agreed fast track services are valid for 5 working days only.** Applications should be submitted, and payment made within this period. After 5 working days, service availability should be checked again.

Please allow at least 24 hours for us to review service availability.
